#### WHAT CAN I DONATE?

Only devices that are functional can be donated. In general, electronics that are less than seven years old can be reused. Please don't bring non-functional items, which include devices with cracked glass or phones that are iCloud or user locked. Please log out of devices and reset them.

#### WILL MY DATA GET ERASED?

Yes, data on each device will get wiped or the hard drive will get destroyed. Our event partner, DonorConnection, specializes in data destruction and will refurbish and wipe data all devices.
